

## **Configuring a BlackBerry® Bold smartphone with a Solo SIM Card for the HSPA+ network**

An unlocked BlackBerry Bold can be used with a Solo SIM Card with no user intervention. Follow the instructions below to set up your smartphone.

MMS, Browser

1. Follow the instructions in the user manual to install your Solo SIM card into the phone.
2. Power on the phone.
3. The required Service Books will be sent to your device and the settings for MMS and Browser will be automatically configured with no user intervention.
4. Follow the instructions in the user manual to set up email (BlackBerry Internet Service, BlackBerry Enterprise Server, BlackBerry Desktop Redirector) and BlackBerry Messenger.
